### Press Release

International Forum For Information Technology in Tamil (INFITT), a non-profit organization registered in the State of California, USA. We have educators, academic researchers, professors, software developers and tech entrepreneurs from all around the world and our main goal is to promote the use of Tamil in computers and other information technology solutions. In the past, we have conducted our annual conferences in many countries around the world including USA, Germany, Singapore, Malaysia and India. Scholars whose research falls in the general area of Computer Information Technology and Tamil language have participated and benefitted from these conferences.

The International Forum for Information Technology in Tamil (INFITT) is pleased to inform that the 16th Tamil Internet Conference 2017 will be held in the University of Toronto, Scarborough Campus in the Greater Toronto Area during 25 – 27th, August 2017. There is NO CHANGE IN THE DATES OF Our Annual Tamil Internet Conference 2017. INFITT also declares that the Official website for TIC 2017 conference will only be <https://tamilinternetconference.org/> The INFITT annual conference is co-sponsored by the University of Waterloo Centre for Pattern Recognition and Machine Intelligence and IEEE Canada. This year's conference has two themes: Deep Learning and Data Science in Tamil. To lead and to conduct this year's conference, the Executive Committee of INFITT had given Professor C.R. Selvakumar of the University of Waterloo full authority and responsibility.

The official conference website is [Tamilinternetconference.org](http://Tamilinternetconference.org) and it is the main portal for the Conference. There are no other websites which are allowed to collect information or money on behalf of the INFITT T's Tamil Internet Conference. There is no other Conference which is permitted to name as "INFITT 16th Tamil Internet Conference" with any other dates or venues. We look forward to your active participation in the 16th Tamil Internet conference - Canada on August 2017. If you have any questions or need further clarifications, please feel free to send us a note to [ed@infitt.org](mailto:ed@infitt.org) or [cpc2017@infitt.org](mailto:cpc2017@infitt.org).

Selvaraj Murali,  
Chair,INFITT
